East Dunkard Water Authority :

ORDER

AND NOW, this ____ day of _____, 2023, it is hereby ORDERED, ADJUDGED and DECREED that the East Dunkard Water Authority is granted an additional twenty (20) days from date of this Order to file Exceptions to the June 27, 2023, Initial Decision.

BY THE COURT:

Marta Guhl
Administrative Law Judge

5. On or around June 27, 2023, Megan Patrick of the law firm of Makel & Associates, LLC was still the counsel of record for the Authority.
6. Additionally, at that same time, on or around June 27, 2023, Megan Patrick, Esquire, was out of the office on vacation.
7. On or around July 7, 2023, Megan Patrick, Esquire, returned to her office to find the June 27, 2023, Initial Decision and Secretarial Letter and emailed the documentation to Lane M. Turturice, Esquire.
8. However, at that time, Lane M. Turturice, Esquire, was out of his law office on vacation.
9. Furthermore, Lane M. Turturice, Esquire, is currently outside of the reach of internet, email, and cellphone access; thus, Attorney Turturice cannot currently speak with the Authority and file any applicable Exceptions.
10. Lane M. Turturice, Esquire, is not expected to return to the office from vacation until July 20, 2023, which is three (3) days after Exceptions are due under the June 27, 2023, Secretarial Letter.
11. Due to the aforementioned reasons, the Authority has not had the opportunity to properly speak with Lane M. Turturice, Esquire, in his role as Solicitor for the Authority, regarding the June 27, 2023, Initial Decision and any Exceptions that may follow thereafter.
12. In order to appropriately address this manner between the Authority and its Solicitor, the Authority respectfully requests that a suitable extension be granted so that it may properly speak with its counsel regarding this matter.

WHEREFORE, East Dunkard Water Authority respectfully requests that an extension of twenty (20) days be granted in filing Exceptions to the June 27, 2023, Initial Decision.
