## FORM OF LICENSE AGREEMENT

The Borough of Swissvale ("Grantor"), a municipal corporation located in Allegheny County, does hereby grant unto Duquesne Light Company, its successors and assigns ("Grantee") an exclusive license for the purpose of providing electric services, with the right, privilege and authority to access, erect, install, use, operate, maintain, repair, renew and finally remove an electric vehicle charging station make-ready system ("License") consisting of fixtures and apparatus necessary to connect Grantee's electric service facilities to the charging station stub as identified in Exhibit A hereto and made a part hereof (the "Facilities") upon, over, under, along, across and through Grantor's Public Right-of-Way, as hereinafter defined.

Grantor is a municipal corporation that is responsible for the maintenance of certain public right-of-way, located in the 1700 block of Aurelius Street, Swissvale, PA 15218 adjacent to Tax Parcel I.D. 0178B00300000000 herein (the "Grantor's Public Right-of-Way.")

Grantor further grants to Grantee the right to occupy and use the Grantor's Public Right-of-Way as may be necessary for the use and function of the Facilities on Grantor's Public Right-of-Way; to remove any obstructions which at any time may interfere or threaten to interfere with the rights granted herein; to enter upon the land at any time for such purposes; and to sublet or assign Grantee's interest in whole or in part, without the prior consent of Grantor. The Facilities will be installed substantially within the area shown on Exhibit A.

All components of the Facilities will be installed, owned, maintained, and renewed by Grantee. Grantor reserves the right to use the surface of the Licensed area for such uses and purposes as are not inconsistent with and will not unreasonably interfere with the rights granted herein.

Grantor and Grantee are both parties to a DLC Electric Vehicle Customer Agreement dated May 4, 2023 ("Customer Agreement"). This License, and all rights provided hereunder, shall automatically terminate upon the earlier of either: (a) Grantee's transfer of title of the Facilities to Grantor in accordance with the terms of the Customer Agreement or (b) Grantee's removal of the Facilities from the Grantor's Public Right-of-Way for any reason.

This License will be binding upon and inure to the benefit of all the parties hereto and their respective heirs, successors and assigns until such time as the License is terminated as mentioned above.

Where Grantor is a municipal corporation as defined at Title 66, Section 102 of the Public Utility Code, Grantee will file an executed copy of this License Agreement with the Pennsylvania Public Utility Commission as required by Title 66, Section 507 of the Public Utility Code, and this Agreement will become effective in accordance therewith.
