Re: Electric Generation Supplier License of L5E, LLC d/b/a 5 Digital Energy

Dear Ms. Connolly:

On April 19, 2023, L5E, LLC (L5E) filed a request with the Commission to change the name on its license to provide electric generation services, as a broker/marketer, to L5E, LLC d/b/a 5 Digital Energy.

Currently, L5E is licensed as L5E, LLC as a broker/marketer to residential, small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

L5E has provided the proper Pennsylvania Department of State documentation and has provided proof of service to the interested parties as required by the Commission.

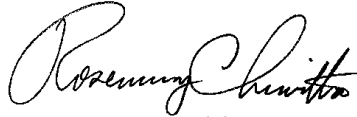

Therefore, the Commission approves, by this Secretarial Letter, the change of L5E, LLC's name on its license for the provision of electric generation services as a broker/marketer.

The Secretary's Bureau will issue a new license to L5E, LLC d/b/a 5 Digital Energy the right to begin to offer, render, furnish, or supply electric generation services as a broker/marketer to residential, small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

The Secretary's Bureau and the Bureau of Administration, Financial and Assessments will update the company's name in their computer systems and lists, as appropriate, to be L5E, LLC d/b/a 5 Digital Energy.

If you have any questions in this matter, please contact Jeff McCracken of the Bureau of Technical Utility Services at jmccracken@pa.gov or 717-783-6163.

Sincerely,

A handwritten signature in black ink, appearing to read "Rosemary Chiavetta". The signature is written in a cursive style with a large initial "R".

Rosemary Chiavetta
Secretary
