

Johnson v. Duquesne Light Company
PUC C-2022-3032695

**Re: COMPLAINANT'S REQUEST FOR EXTENSION TO REPLY TO
EXCEPTIONS**

To whom it may concern at the Office of the Special Assistant,

Complainants' Reply to Duquesne Light Company's Exceptions is due on Monday, July 24, 2023 (the tenth day falls on Saturday, July 22). I will be traveling from July 20 through July 25 and therefore cannot file on July 24, and will also lose five days of the ten day period in which to reply. My travel is for personal reasons and cannot be postponed. My co-counsel, Stanley Stein, is also not available during that week.

We therefore respectfully request an extension until **July 31, 2023** to file Complainants' Reply. Duquesne Light Company does not oppose our request for an extension.

We originally made this request by email to the Office of the Special Assistant ("OSA") on July 14, 2023. Duquesne Light Company's counsel also indicated their non-opposition to the request by a "reply all" email on July 15, 2023. Having not received a response email from the OSA, we emailed again on July 18, 2023. I then contacted OSA by phone today and was told to submit our request through the e-filing system. We therefore respectfully submit that we have acted diligently in seeking the extension.

Thank you for your consideration of our request.

Respectfully submitted,

Laura Andracchio Johnson /s, Complainant
