**Re: Summer Energy Midwest, LLC; Utility Code: 1122459
Application Docket: A-2019-3011913; Utility Code: 1122459
EGS Residential Activity Report for 2022 under 52 Pa. Code § 54.201
Docket for this report: M-2023-3037452**

Dear Secretary Chiavetta:

We are submitting this letter on behalf of Summer Energy Midwest, LLC ("Summer Energy") in connection with the Commission's EGS residential activity reporting requirements under 52 Pa. Code § 54.201.

We have enclosed Summer Energy's report for calendar year 2022 on the Commission's prescribed form in public redacted and confidential formats.

Summer Energy respectfully requests confidential treatment of the confidential version of the report, as the information contained therein concerning Summer Energy's Pennsylvania operations is competitively sensitive. Disclosure of that information would provide Summer Energy's competitors both inside and outside of Pennsylvania with non-public market intelligence about Summer Energy, including its strength and position in the market. Such information would permit competitors to adjust their sales policies in a manner that might disadvantage Summer Energy and its customers.

We have also emailed copies of this report to Charles Covage, Joseph Sherrick, Christina Klinger, and Jordan Lawson with the Commission's Bureau of Technical Utility Services.

If you have any questions, please do not hesitate to contact me at (312) 715-5089 or adam.margolin@quarles.com.

Ms. Rosemary Chiavetta
