

Pendlec Account # 100102809926

Docket # C-2022-3036796

Dear Judge,

July 25th
2022

Thank you for your time
I'm writing to ask for
a new hearing regarding
my electric bill, my
bill is so big I will never
be able to pay it. I have
reached out to numerous
organizations but no matter
what I do the balance never
seems to go away, and
when I do get any help
and its sent to pendlec
they always put it as
credit, instead of applying
it to previous balances,
which does not help at
all, I'm asking for you to
please hear me out face to
face, so that I can fully
tell my side please
I thank you for your
time please consider
Hearing me out.
