A-2023-3040026

TO ALL PARTIES OF RECORD

Application of Level 3 Communications LLC for approval of the alteration of the public crossing (DOT 515 855 Y) by the installation of a fiber optic cable where Chester Pike (State Route 0013) crosses, below grade, four (4) tracks of National Railroad Passenger Corporation (Amtrak), located in the Borough of Ridley Park in Delaware County.

To Whom It May Concern:

By application filed with the Commission on April 18, 2023, Level 3 Communications LLC (Level 3) seeks Commission approval to alter the public crossing (DOT 515 855 Y) where Chester Pike (State Route 0013) crosses, below grade, four (4) tracks of National Railroad Passenger Corporation (Amtrak), located in the Borough of Ridley Park in Delaware County.

Level 3 proposes to install a self-supporting innerduct with new fiber optic cable on existing utility poles and under the superstructure of Amtrak. The installation will drop down from adjacent utility poles and go under the bridge superstructure.

The Commission hereby establishes its jurisdictional limits at the subject crossing as the area within the confines of the railroad right-of-way and the highway right-of-way.

In its application, Level 3 states that the proposed improvements to Level 3's facilities are necessary to provide new high-speed service to a customer. Level 3 will be directed to perform the necessary installation, provide for maintenance and protection of highway and pedestrian traffic during installation and accept future maintenance responsibility for its facilities, at its sole cost and expense. The cost of the project is anticipated to be approximately \$55,000.

All work is to be performed in accordance with the plans entitled: "1570 CHESTER PIKE EDDYSTONE, PA 19022 DELAWARE COUNTY 1570 CHESTER PIKE EDDYPAAV," consisting of six (6) sheets submitted to the Commission with the subject application.

Level 3 has served a copy of the application and plans on Pennsylvania Department of Transportation, National Railroad Passenger Corporation (Amtrak), Verizon Pennsylvania, PECO, and the Borough of Ridley Park. Delaware County was omitted as a party of record and were not served a copy of the plans. All parties in interest were queried by letter sent by electronic mail on May 18, 2023, as to any objection to the subject application and plans. None of the parties have responded with any objection to the subject application or plans. Delaware County will be added as a party of record by this secretarial letter.

The Commission has exclusive jurisdiction in crossing alterations and is the final arbiter of any fees associated with a crossing application. Any conditions, including fees associated with a crossing application, must be approved by the Commission.

Upon full consideration of the matters involved, we find that a hearing is not necessary and that a Secretarial Letter may be issued approving the application.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that the alteration of the crossing is necessary and proper for the service, accommodation, convenience or safety of the public.

The application of Level 3 Communications LLC is approved as herein directed:
