County, and Allocation of Costs Incentive thereto)

To The Pennsylvania Public Utility Commission:

The Erie Sewer Authority by and through its counsel, Knox McLaughlin Gornall & Sennett, P.C., pursuant to the provisions of 52 Pa. Code §5.51 hereby submits this Protest and Objection to the Petition submitted by CSX Transportation, Inc. (“CSX”) for the Amendment of the Secretarial Letter in the above matter dated February 24, 2023, based on the following:

1. The name and address of the Objector is the Erie Sewer Authority, c/o 120 West 10th Street, Erie, Pennsylvania 16501.
2. The name and address of the attorney for the Erie Sewer Authority is Timothy M. Sennett, Esquire, Knox McLaughlin Gornall & Sennett, P.C., 120 West 10th Street, Erie, Pennsylvania 16501.
3. The Erie Sewer Authority is a sewer authority organized and existing under the laws of the Commonwealth of Pennsylvania owns the wastewater treatment plant located adjacent to and served by the industry rail lines which PENNDOT previously filed a track signal and traffic control plans on February 27, 2023, which were certified and approved by the Commission in its Secretarial Letter dated March 23, 2023.
4. CSX has filed a Petition to Amended the Secretarial Letter asserting that it is determined that the industry rail lines at the crossing are no longer needed.

5. CSX did not, at any time, contact the Erie Sewer Authority to determine their necessity. The Erie Sewer Authority asserts the industry rail lines which serve its wastewater treatment are an absolute necessity. The rail lines ensure a fully functional wastewater treatment plant.

6. The rail lines are a necessity for future operation by the Erie Sewer Authority of its wastewater treatment plant.

7. The crossings therefore are absolutely still needed and the rail crossings should not be removed at the crossing with the East Bayfront Parkway (State Route 4034) (DOT 918 324 S).

8. The Erie Sewer Authority joins in the July 19, 2023 Protest and Objection filed by the Erie-Western Pennsylvania Port Authority and the Protest and Objection filed by the City of Erie on July 31, 2023.

THEREFORE, the Erie Sewer Authority respectfully requests that the Petition to Amend the Secretarial Letter be denied and that the crossing DOT 918 324 S remain in place in accordance with the Secretarial Letter dated February 24, 2023.
