RE: for All My Sons of Pittsburgh, LLC -- Tariff Filing

To Whom it May Concern:

On September 21, 2022, Freight Pa. P.U.C. No. 3 was reviewed and approved by the Public Utility Commission.

On July 24, 2023, a rate adjustment was submitted to the same docket number that had already been approved and processed. This caused the filing to be created as an amendment to the previous filing which is unacceptable.

Please resubmit your rate change request without referencing your previously approved docket number in the letter introduction. Reference only your utility number.

Additionally, please note that the rate request should be for Freight PA PUC No. 4, replacing Freight PA PUC No. 3.

Very truly yours,
