RE: for All My Sons of New Jersey, LLC -- Tariff Filing

To Whom it May Concern:

On May 9, 2022, Freight Pa. P.U.C. No. 3, docket A-2022-3032026, was reviewed and approved by the Public Utility Commission.

On July 25, 2023, Freight Pa. P.U.C. No. 5 was submitted for consideration. Upon review, it was determined that either the carrier had previously put into place a rate change without obtaining the requisite prior permission, or that the carrier had again (as with docket A-2022-3032026) submitted an incorrectly numbered tariff.

Please submit a new filing with a detailed description of status and implementation of Freight Pa. P.U.C. No. 4, as well as a detailed explanation of why prior regulatory permission was not sought. If the error lies with tariff numbering, please thoroughly review your tariffs prior to submission. You **SHOULD** have a copy of your tariff available at all times for review so sequential numbering should not be an issue the future.

Very truly yours,
