**RE: Default Service Supply  
Effective September 1, 2023  
M-2023-3041564**

Dear Ms. Farah:

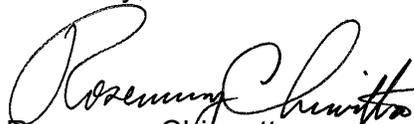

The Bureau of Audits has reviewed Duquesne Light Company's proposed Supplement No. 64 to Tariff Electric - Pa. P.U.C. No. 25 and the supporting rate computations submitted on June 30, 2023 to become effective on September 1, 2023.

Based upon staff review, it appears that the proposed Default Service Supply (DSS) rates for Medium Commercial and Industrial customers for the 3-month period of September 1, 2023 through November 30, 2023 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The DSS is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2023-3041564.

Sincerely,

  
Rosemary Chivetta  
Secretary
