Re: Docket No. P-2021-3024328
Date: July 18, 2023

Dear Secretary Chiavetta:

Mrs. Giampino asked me to help her let the Court know that she is very concerned about the proposed location of the facility. She does not have a computer or email, so I have typed this for her. If you want to check the facts here, please call her. She will really give you a piece of her mind. She would appreciate you sending her a letter acknowledging receipt of this Official Protest.

**BEFORE THE COMMONWEALTH OF PENNSYLVANIA
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Petition of PECO Energy Company for a Finding of Necessity : Docket No. P-2021-3024328
Pursuant to 53 P.S. § 10619

**DIANA GIAMPINO'S ANSWER TO
PECO ENERGY COMPANY'S OBJECTIONS AND MOTION TO STRIKE
LATE-FILED PROTEST OF DIANA GIAMPINO**

What are these people thinking? It's a free country, and she has a right to protest. She is just sorry that she didn't take care of this earlier. Things happen, and she's been really busy for the past few years. Even now, she has to stay at home all the time and can't even go food shopping. Her sister does her shopping. She can't do anything with a computer, either. She doesn't know about technology.

As Exelon/PECO has pointed out in Paragraph 19 of its Motion to Strike, The Commission may accept late-filed protests at its discretion.

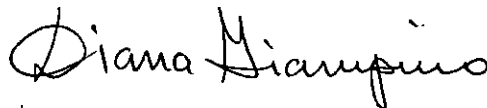

Mrs. Giampino agrees with Exelon/PECO when they say that her Protest is late, but she has been very busy for the past several years caring for a member of her family who requires constant attention, as well as the other responsibilities of taking care of her home. Also, since she has limited proficiency in English, she has been intimidated by the proceedings. Although she has vaguely known about the project, she only recently became aware that she could file an Official Protest due to the community education efforts of a local citizens' group.

Mrs. Giampino does not agree with Exelon/PECO when they claim that her Protest will delay the orderly progress of the case,

Mrs. Giampino does not agree with Exelon/PECO when they claim that her Protest will provide "a second bite at the apple". Her concerns are purely related to environmental issues, which are at the heart of the current mandate for the Commission to amend its prior decision.

Ted Uhlman listened to her concerns, typed the preceding, and helped her file her protest. She does not have a computer, and she does not have an email address.

Respectfully Submitted,
DIANA GIAMPINO
