 - a. You mention that you previously worked for Sleep Number. In what capacity did you work for them? Was your role limited to delivering beds?
 - b. Do you have any other experience working with a licensed household goods provider, and if so for how long? Do you have any other experience that you believe would qualify as the equivalent, and if so what (please be detailed)?
- 2.) You may be the only person driving your truck, but the Commission needs to know that you have standards in place should this ever change if/when you are certificated. As such, please provide your system for conducting drive license checks, and please more thoroughly explain your system for conducting criminal background checks.
