RE: Petition of Newtown Artesian Water Company for a time extension to submit a Lead Service Line Replacement Program

Dear Attorney Walsh:

On July 24, 2023, Newtown Artesian Water Company (NAWC) filed the above-captioned document (Petition) with the Pennsylvania Public Utility Commission (Commission) requesting a one hundred and twenty (120) day time extension to file its Lead Service Line Replacement Program (LSLR Program). Pursuant to Section 65.55(a) of Title 52, 52 Pa. Code § 65.55(a), a Class A public utility or authority was to file a LSLR program within one year of the effective date of the section, or by July 22, 2023. Through the Petition, NAWC requested that the deadline be extended to November 22, 2023, to allow NAWC the needed additional time to accumulate the required information and to design its LSLR Program. Please be advised the request to extend the due date for NAWC to file a LSLR program petition to November 22, 2023, is hereby granted.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code § 5.44, file a petition for reconsideration from the actions of staff with the Commission within 20 days of the date this letter is served. Should you have any questions, please contact Matthew T. Lamb, P.E. in the Bureau of Technical Utility Services via email at mlamb@pa.gov or telephone at (717) 783-1001.

Sincerely,

Rosemary Chiavetta
