Re: Gigapower, LLC
Application for Approval to Offer, Render, Furnish or Supply Telecommunications
Services to the Public in the Commonwealth of Pennsylvania

Dear Mr. Grace:

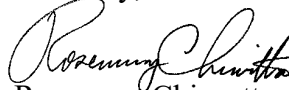

By Order adopted at Public Meeting held June 15, 2023, at Docket No. A-2022-3036756 the Commission approved the application of Gigapower, LLC (Company) to operate as a Competitive Access Provider throughout the Commonwealth of Pennsylvania. In order to receive a Certificate of Public Convenience to provide this service, the Commission directed the Company to file an initial tariff containing the revisions provided in Appendix A of the Order. On July 21, 2023, the Company filed Tariff Telephone-Pa. P.U.C. No. 1 with an effective date of July 22, 2023.

Commission Staff has reviewed the tariff and found it to be in compliance with the Commission's Order. Therefore, Tariff Telephone-Pa. P.U.C. No. 1 has been permitted to become effective as filed. This permission does not constitute a determination that the tariff is just, lawful or reasonable, but only that suspension or further investigation does not appear to be warranted at this time, and is without prejudice to any formal complaints timely filed against the tariff.

As directed by the Order, the Company is required to add its Pennsylvania tariff to its website within thirty (30) days of receipt of the enclosed Certificate of Public Convenience. Upon placing the tariff on its website, the Company shall contact Cyndi Page ((717) 787-5722; cypage@pa.gov) of the Commission's Office of Communications to inform her of the tariff website address. In order to maintain a true and accurate representation of its tariff on file with the Commission, the Company is required to continually update its tariff whenever supplemental revisions are approved by the Commission.

If you have any questions in this matter, please contact John-Paul Rodgers, Telco Section, Bureau of Technical Utility Services at (717) 214-9115 or johroddgers@pa.gov.

Sincerely,

Rosemary Chiavetta
Secretary
