RE: Deficiency Letter Request 8.e of EGS Application

To whom it may concern,

The following documents are being submitted to satisfy the request for more information as per the deficiency letter dated August 9, 2023 for Docket No. A-2023-3041960. The documents being provided are for Section 8.e. of the Electric Generation Supplier License Application for Natures Current LLC.

Sincerely,

Shawn Jefremow

President

Natures Current LLC.

BRIAN WITTIG

501 Cambria Avenue Suite 389 Bensalem, PA 19020 | 215-464-6000 | brianw@naturescurrent.com

Brian has been in the energy field since October 2006. Brian started working in the energy field as an analyst with NCG Energy. Brian excelled and was consistently winning sales awards with NCG Energy and remained with the company until May 2008. In June 2008, Brian co-founded Natures Current, LLC. Brian has been leading Natures Current, LLC. and providing his 18-plus years of experience in the energy field to help educate and inform customers.

EXPERIENCE

VICE PRESIDENT/OWNER

June 2008 - PRESENT

Co-founded Natures Current LLC., in June 2008. Brian has been Vice President of Natures Current LLC., since its founding while performing administrative duties, sales, and customer relations.

Energy Consultant
