Greetings,

The Executor office is higher than the probate court, and courts do not have jurisdiction (in personam or subject matter) over the estate. The Executor Office is the highest office in trust law and the highest authority. The estates are the authorities, and all other courts are courts of inferior jurisdiction. All officials and government servants have taken an oath, your Administrative Law Judge Mary D. Long, and Duquesne Light Company Emily M. Farah, Esquire oaths on record was accepted, however they refused to file, record my lawful request therefore, committed a crime against the estate, justice.

Any attorney, District attorney, or anyone from the lawyering craft are all third parties, and do not have a license to make a legal determination in this matter concerning the estate. (Respondent place of business denied service "shut-off" on 08/10/2023 for 6 1/2 hours)

The Executive Office Officials of the PENNSYLVANIA PUBLIC UTILITY COMMISSION fiduciary duty is to serve, protect the Estates and the fiduciary responsibility is the highest responsibility in law.

On June 12th, 2023, an Executor Letter was sent to the Administrative Law Judge Mary D. Long, and she refuse to accept my presented document(s), therefore, your official accepted full liability for their actions (08/10/2023) crimes committed, and subject you to loss of your bond, losses, damages.

This Executor Office operates with no limitation of time, subject matter, or authority, and this Executor Office can undo any defects that has been done to the Estate. It is a duty to correct errors, and your written correspondence "Duquesne Light Company's Reply Exceptions, Certificate of Service" dated the 21st day of August 2023, addresses the ALL CAPS NAME, of the Estate, and is attempting to defraud take anything from the Estate, therefore, the issue is a trespass. we are requesting PENNSYLVANIA PUBLIC UTILITY COMMISSION authority.
