RE: Electric Generation Supplier License Application

Dear Mr. Bergman:

On August 15, 2023, the Pennsylvania Public Utility Commission (Commission) received THE O.E. GROUP INC.'s application for an Electric Generation Supplier (EGS) license.

The applicant stated throughout its EGS Application Package that the name of the applicant is "The O.E. Group Inc. or The O.E. Group". According to the applicant's PA Department of State registered name, the name must be written as "THE O.E. GROUP INC." (notice the capitalization and punctuation differences). To correct the naming in the application, the applicant may provide a statement attesting that The O.E. Group Inc. or The O.E. Group is the same as THE O.E. GROUP INC. Applicant must provide a bond with its name as per registration with the PA Department of State.

Sections 2.b, 7.b, 7.f, 11.a and 11.b of the application were incomplete or not properly completed (charter document that is dated and stamped, income tax returns for 2022, Affidavits – the name of Applicant must match the PA Department of State). In order for the Commission to accept the application for review, these deficiencies must be corrected. Failure to respond timely will result in the application being deemed rejected¹ and the docket will be closed.

Please use the Commission's efilings system or an overnight delivery service to submit the requested information to the Secretary of the Commission **within 20 days** from the date of this letter.
