LIST OF CHANGES

This tariff supplement increases water rates to collect \$257,797 in additional revenue, or a 970% increase. Flat rates are increased for all customer classes. Additional minimum charges and volumetric charges are added for metered customers. The billing been changed to either monthly or quarterly at the discretion of the Corporation. Lastly, the scope of the Turn-on Charge provision has been clarified.

PART I: SCHEDULE OF RATES AND CHARGES

Section A - Rates for Metered and Flat Rate Service

	<u>Consumption</u>			<u>Rate per 100 Gals. Over Minimum (c)</u>
	<u>Per Month</u>	<u>Per Quarter</u>		
Commercial – Flat Rate (c)	\$850.00 (I)	\$2,550.00 (I)		N/A
Small Commercial Minimum Charge (c)	\$850.00 (I)	\$2,550.00 (I)		\$10.00
Large Commercial Minimum Charge (c)	\$2,183.40 (I)	\$6,550.20 (I)		\$10.00
Residential – Flat Rate	\$122.30 (I)	\$366.90 (I)		

Section B - Fire Protection Rates

2. Public Fire Protection: For public fire protection, the charge shall be \$ 100.00 per hydrant per year. (I)

(I) Means the amount has been increased

- (b) Where a customer requests turn-on of service within six (6) months of disconnection, the customer shall be subject to monthly minimum billing for the period of disconnection. The request for turn-on of service should be mailed to the same address as the disconnection of service request.
2. Termination by Company: Service to the customer may be terminated for good cause, including, but not limited to, the following:
- (a) making an application for service that contains material misrepresentations;
 - (b) willful or negligent waste of water through improper or imperfect pipes or fixtures, or for failure to repair leaks in pipes or fixtures;
 - (c) tampering with any service line, curb stop, meter or meter setting, or installing or maintaining cross-connections or any unauthorized connection;
 - (d) theft of service, which may include taking service without having made a proper application for service under Part III, Section A;
 - (e) failure to pay, when due, any charges accruing under this tariff;
 - (f) refusing the Company reasonable access to the property served for purposes of installing, inspecting, reading, maintaining or removing meters;
 - (g) receipt by the Company of an order or notice from the Department of Environmental Protection, a health agency, local plumbing inspector or other similar authority, to terminate service to the property served on the grounds of violation of any law or ordinance, or upon notice to the Company from any such authority that it has ordered an existing violation on the property to be corrected and that such order has not been complied with or
 - (h) material violation of any provisions of this tariff.
3. Turn-on Charge: Whenever service is discontinued or terminated pursuant to Rule 1 or Rule 2 of this Section, service shall be turned on by the Company only upon the payment by the customer of a turn-on charge and the resolution of the problem that gave rise to the termination if under Rule 2. The turn-on charge may include the cost of terminating service and reinstating service, including the cost of any repairs necessary to the system as a result of damage arising as a result of termination or reinstating service. Section D - Meters

(C) Means Change

1. Issuance of Bills: The Company will bill each customer within fifteen (15) days of the last day of each billing period, which shall be either monthly or quarterly at the discretion of the Company. (C)
2. Billing Due Date: The due date for payment of a bill for nonresidential service shall be no less than fifteen (15) days from the date of transmittal. The due date for payment of a bill for residential service shall be no less than twenty (20) days from the date of transmittal. If the last day for payment falls on a Saturday, Sunday or bank holiday, or on any day when the offices of the Company are not open to the general public, the due date shall be extended to the next business day. The Company may not impose a late-payment charge unless payment is received more than five (5) days after the stated due date.
3. Late-Payment Charge: All amounts not paid when due shall accrue a late-payment charge at the rate not to exceed one and one-half percent (1.50%) per billing period, not to exceed eighteen percent (18%) per year when not paid as prescribed in Rule 2 of this Section.
4. Change in Billing Address: Where a customer fails to notify the Company of a change in billing address, the customer shall remain responsible to remit payment by the billing due date.
5. Application of Payment: Utility bills rendered by the Company shall include only the amount due for water service. Where a customer remittance to the Company includes payment for any non-utility services, proceeds will be applied first to pay all outstanding regulated utility charges.
6. Return Check Charges: The customer will be responsible for the payment of a charge for each time a check presented to the Company for payment on that customer's utility bill is returned by the payor bank for any reason including, but not limited to, insufficient funds, account closed, payment stopped, two signatures required, post-dated, stale date, account garnished, or unauthorized signature. This charge is in addition to any charge which may be assessed against the customer by the bank with interest.
7. Disputed Bills In the event of a dispute between the customer and the Company with respect to any bill, the Company will promptly make such investigation as may be required by the particular case and report the result to the customer. The customer is not obligated to pay the disputed portion of the bill during the pendency of the Company's investigation. When the Company has made a report to the customer sustaining the bill as rendered, the customer shall have fifteen (15) days from the date of such report in which to pay the bill. If the Company determines that the bill originally rendered is incorrect, the Company will issue a corrected bill with a new
