MOTION: SANCTIONS  
Civil Action: C-2023 3038201

V.

AQUA PA INC.

**MOTION**

Pursuant to § 5.371 of the PUC Rules, I Mr. M. Hillman do hereby Motion the Court to impose Sanctions against Aqua Pa & Margaret Morris.

1- According to § 1.58 Certificate of Service, I have not received any of Aqua's motions, pleadings, etc.. within a timely manner, with a fair, reasonable, opportunity to respond—so Aqua files paperwork intentionally failing to meet the obligation of serving me a copy, yet falsifying a certificate.

2- Aqua never served me with a copy of their Reply, to my Response of their Motion, which is dated July 17, 2023

3- I tried contacting Margaret Morris by telephone, to inquire whether there was written testimony that was supposedly sent out to me recently—there was no answer—so, I left a message—No Response. Aqua has no intention of serving me with a copy, according to § 1.58

4- A Frivolous Motion for judgment on the pleadings (dated June 7, 2023) was not properly served either ( it consisting of repetitious material, aimed at disrupting the truth).

5- I have provided an address for service; my religion does not permit me to get involved with the internet. I should have an opportunity to pick-up or verify what papers have been filed , since I am dealing with lying adversaries.

6- The other day , I requested to pick up filed paperwork at the PUC, though I was informed that the written testimony is not part of the record, and I was referred back to the untruthful adversaries. (Right-to-know-request-form attached )

7- Margaret Morris (Aqua) constantly interrupted testimony during the hearings (each & every hearing) to prevent the presentation of evidence; talking over everyone, out of civilized order (as if there was a lack of medication available (§1.26- § 1.27 ).
