**RE: Smart Meter Technologies Charge
Section 1307(e) Reconciliation Statement
For the 12 months ended June 30, 2023
M-2023-3041952**

Dear Ms. Savage:

The Bureau of Audits has reviewed West Penn Power Company's Smart Meter Technologies Charge (SMT-C) Section 1307(e) Reconciliation Statement for the 12 months ended June 30, 2023.

Based upon staff review, it appears that the SMT-C Section 1307(e) Reconciliation Statement, filed on July 28, 2023 and revised on August 1, 2023, is mathematically accurate and, accordingly, shall be deemed an adequate filing within the meaning of Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Acceptance of the SMT-C Section 1307(e) Reconciliation Statement is expressly subject to such further review and revision as may be found necessary as the result of a subsequent Commission audit or some other proceeding. Acceptance shall not constitute approval of either the accuracy of the reported figures or the reasonableness of the underlying transactions.

This Secretarial Letter does not preclude a party from later filing a complaint on the substance or operation of the adjustment clause rate change filing. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2023-3041952.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Rosemary Chiavetta
Secretary
