**Re: IN THE MATTER OF THE APPLICATION OF THE YORK WATER
COMPANY, Under Section 1102(a)(3) of the Public Utility Code, for approval of the
right of THE YORK WATER COMPANY to acquire the water distribution assets
of Longstown Mobile Estates in Windsor Township, York County, Pennsylvania
Docket No. A-2023-3041860**

Dear Secretary Chiavetta:

On July 21, 2023, The York Water Company (“York Water”) filed the above-captioned Application.

On pages 6 and 7 of the Application, York Water averred that “[t]he owner of the system does not have mapping of the system available” and that “[a] more detailed listing and description of assets will be provided when the original cost study is completed and submitted.”

York Water has since received more details about the water distribution mains and laterals in Longstown Mobile Estates.

As a supplement to the above-captioned Application, enclosed is a spreadsheet setting forth details about the water distribution mains and laterals in Longstown Mobile Estates, including the pipe diameter, material, and length.

A signed verification from York Water is enclosed as well.
