A-2022-3037047

September 20, 2023

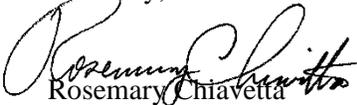

TO ALL PARTIES OF RECORD:

On September 19, 2023, it was discovered that publication of the Application filed by the Pennsylvania-American Water Company (PA American) – Wastewater Division Section 1329 Application for the Acquisition of Butler Area Sewer Authority’s Wastewater System Assets, at the above referenced docket number, was inadvertently not published in the Pennsylvania Bulletin scheduled for publication in the June 10, 2023, edition.

The record at the above docket number shows that all customers were provided individual notification through billing inserts. PA American provided proof of publication on May 22, 2023, that the Application had been published in all newspapers of local circulation in the areas affected by the Application. At 6 p.m. on both dates of July 18 and 19, 2023, the Office of Administrative Law Judge held two separate public input hearings which were well attended and provided opportunity to all customers to voice any concerns, support, or opposition to the Application.

Therefore, to correct the record, and in an abundance of caution to ensure due process to satisfy the requirements of 52 Pa. Code Section 5.14(a), the Commission will proceed with publishing the attached notice in the Pennsylvania Bulletin. This notice will appear in the **September 30, 2023**, issue.

Sincerely,

Rosemary Chiavetta
Secretary
