To Whom It May Concern:

It has come to our attention that binding insurance proof (form E) was submitted by your insurance underwriter. Your insurance proof has been reviewed and your application has been re-opened. It has been determined that all requirements have been met; Therefore,

YOU ARE ADVISED THAT:

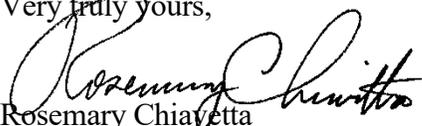

- (1) Your certificate of public convenience is enclosed.
- (2) Your PUC Number which will be displayed on your vehicles is **A-8916735**.
- (3) You are granted authority to operate as follows:

To transport, as a motor common carrier, property, excluding household goods in use, between points in Pennsylvania.

If you have not previously submitted a copy of a current satisfactory safety rating from the U.S. Department of Transportation or another state with safety regulations comparable to Pennsylvania, you must demonstrate safety fitness by completing a Safety Fitness Review which will be scheduled by a PUC enforcement officer within 180 days of the date your certificate of public convenience is issued/entered. **Failure to submit to the Safety Fitness Review, or achieve a Satisfactory Fitness evaluation, will result in the cancellation of your certificate, and you will be required to file a new application and application fee.** An overview of the safety regulations for carriers of people, property, and household goods between points in Pennsylvania can be found on the PUC's Website: <https://www.puc.pa.gov/filing-resources/forms/motor-carrier-forms/>.

Any PUC motor carrier who needs to submit a change of address to the Public Utility Commission, can obtain the Change of Address form from the PUC Website:
<https://www.puc.pa.gov/filing-resources/forms/motor-carrier-forms/>.

Very truly yours,
