RE: National Fuel Gas Distribution Corporation's ("**National Fuel**")
Universal Service and Energy Conservation Plan for 2022-2026 ("**Plan**")
at Docket No. M-2021-3024935 –

Status Update Relative to the Date of Implementation of National Fuel's
Percentage of Income Program ("**PIP**")

Dear Secretary Chiavetta:

On October 12, 2022, National Fuel filed a Petition at the above-captioned docket (the "**Petition**") in which it requested Commission approval to modify its existing customer assistance program ("**CAP**") to a PIP design (the "**PIP Modifications**"). In the Petition, National Fuel advised that it would take approximately eighteen (18) months to implement the PIP from the date on which Commission approval of same was received.

In response, by Order entered on December 22, 2022 (the "**Order**"), the Commission, among other things: (a) approved the PIP Modifications specified in the Petition; and (b) directed National Fuel to file/serve a letter at this docket identifying the date when the PIP Modifications would be implemented.

In furtherance of the foregoing, by this Letter, National Fuel hereby specifies that June 3, 2024 is the date by which it plans to have the PIP Modifications fully implemented (the "**PIP Effective Date**"). By this date, National Fuel's CAP will transition from its current "rate-discount" design to the PIP design specified in the Petition and approved by the Order.

As shared in the Petition, the PIP Modification require substantial time/resources from the Company to implement (with such efforts well underway). Should National Fuel be in a position to implement the PIP Modifications sooner than that specified above, it will notify the Commission and parties of record by subsequent letter filed at this docket.

In the meantime, should have any questions or concerns, please do not hesitate to contact me at (814) 871-8177.

Very truly yours,
