Dear Deborah Liebel:

We are pleased that Energy Zebra LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Energy Zebra LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Energy Zebra LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Energy Zebra LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Energy Zebra LLC changes in the future, Columbia Gas might deem it appropriate to require Energy Zebra LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4980 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Dear Deborah,

National Fuel Gas Distribution Corporation (“NFGDC”) is aware Energy Zebra LLC (EZ) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, EZ must furnish acceptable security to each utility where EZ will do business. As such, under its tariff, NFGDC could require EZ to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC’s understanding that EZ intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, EZ will never take title to any delivered natural gas, nor will it accept any customer payments or deposits.

Based upon your representations, NFGDC has determined that, at this time, EZ does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by EZ change in the future, NFGDC reserves the right to require security from EZ as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7541.

Application to Serve as a Natural Gas Broker**

Dear Ms. Liebel,

Based on your assertion that Energy Zebra, LLC ("Energy Zebra") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc.-Gas Division ("UGIU") has concluded that Energy Zebra will not need to post security with UGIU. This is based on the declaration that Energy Zebra will be acting in conjunction with a licensed natural gas supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the UGIU Tariff. If Energy Zebra wishes to directly serve Choice customers in the service territories of UGIU in the future as a natural gas supplier, it will have to post security as specified in the UGIU Tariff prior to the commencement of the service.
