HIGINIO MENDOZA, JR. EXECUTIVE ORDER 1004

[From: The Office of Executor, [Ex.: HIGINIO MENDOZA JR, Estate] Beneficiary

To: The Executive Office of the *PENNSYLVANIA PUBLIC UTILITY COMMISSION* (Et al)

Re: *Peoples Natural Gas Company* LLC, **REPLIES TO THE EXCEPTIONS** OF KAREN FEITT, dated September 20, 2023, rebutted by Executor Letter.

[Greeting's, *Pennsylvania Public Utility Commission, Secretary of the Commission, Pennsylvania Public Utility Commission's Office of Special Assistants, Respondent Peoples Natural Gas Company*, and parties on the record:

The Executor Office mentioned above is occupied [by: Ex.: HIGINIO MENDOZA JR, Estate], and Karen Feitt is the spouse of the Executor, beneficiary of the estate. Therefore, this case regarding Miss Feitt is not implied, however expressed in trust. Our notification to notify the parties with Executor Letters is deliberately ignored, or assumed that the estate is abandoned, although several Executor Letters establish the estate IS occupied, step up into, please be advised. Since the Respondent (Et al) documents do not say words, Executor, estate, trust or trustee within the paperwork's it appears as abandoned and is directed to the attention of the Executor who has discretion that the estate NAME (KAREN FEITT/ Executrix) is assumed, therefore, they are attacking the estate having all liabilities. Attorneys for the Respondent are attempting to *dis-BAR* [Ex.: HIGINIO MENDOZA JR, Estate] Mr. Mendoza from filing further informal, or formal complaints pertaining to the issues, however it is by *Peoples Natural Gas Company* own procedure that invites for review of the matter before the

PENNSYLVANIA PUBLIC UTILITY COMMISSION. Just as important the Executor of the estate admits that he is not an attorney licensed to practice law in the Commonwealth of Pennsylvania, and IS aware of no evidence of legislative enacted law, or congressional law with authority that grants respondent attorney, Administrative Law Judge Mary D. Long a license to practice law. Furthermore, the Executor of the estate is not aware of any law enacted by congress that created the BAR association in this country which approves licensing for lawyers, and that does not mean mere color of law, therefore, there is no subject matter jurisdiction. Administrative Law Judge Mary D. Long's ("ALJ") Initial Decision dismissing the above captioned Formal Complaint with prejudice barring the Complainant Mr. Mendoza from filing IS unauthorized, unless the Executor Office has delegated the matter in writing. Such authority is without merit. The *Pennsylvania Public Utility Commission* IS fiduciary, and Respondent *Peoples Natural Gas Company* is the trustee, and a fiduciary position IS with the highest responsibility in law to accomplish an important limited task protecting the estate, however the Executor does not grant general power of attorney over the estate. The Executor Office is the highest office in trust law and the highest authority. The Respondent *Peoples Natural Gas Company*, and the *Pennsylvania Public Utility Commission administrative law court* official are liable for their actions consisting of trespass, defrauding the estate. ([*Title 42~1986: Stop & Correcting of a wrong*] *18 U.S. Code § 242 - Deprivation of rights under color of law, 18 U.S. Code § 1341, 1342, Fraud -Grammar -Mail -Fraud, and swindles, 18 U.S. Code § 1342 - Fictitious name or address*)

["And be it further enacted. That no summons, writ, declaration, return, process, judgment, or other proceedings in civil cases in any of the courts or the United States, shall be abated, arrested, quashed or reversed, for any defect or want of form, but the said courts respectively shall proceed and give judgment according as the right of the cause and matter in law shall appear unto them, without regarding any imperfections, defects or want of form in such writ, declaration, or other pleading, returns process, judgment, or course of proceeding whatsoever, except those only in cases of demurrer, which the party demurring shall specially sit down and express together with his demurrer as the cause thereof. their rules prescribe (a) "Judiciary Act of September 24, 1789, Section 342, FIRST CONGRESS, Sess. 1, Ch. 20, 1789".]

(U.S. vs. Throckmorton, 98 U.S. 61."documents"; ("Constitutions"))
