**RE: Smart Meter Charge
Effective October 1, 2023
M-2023-3043183**

Dear Ms. Farah:

The Bureau of Audits has reviewed Duquesne Light Company's quarterly Smart Meter Charge (SMC) filing submitted on September 21, 2023, to become effective on October 1, 2023. In the filing, the company is not proposing to revise its currently effective SMC rates of zero.

Based upon staff review, it appears that the proposed SMC rates for the three-month period of October 1, 2023 through December 31, 2023 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The SMC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2023-3043183.

Sincerely,
