Re: Leatherstocking Gas Company Unaccounted for Gas Report

Dear Secretary Chiavetta,

Attached is Leatherstocking Gas Company's annual report of unaccounted for gas levels for its distribution system for the twelve months ended August 31, 2023.

One adjustment is included in this report. This adjustment is a pressure adjustment, to account for the geographic elevation of Leatherstocking's customer meters. Leatherstocking does not operate a transmission system, storage system, or production/gathering system, so only a distribution system report is provided.

Thank you,
