Dear Mr. Campbell:

On August 4, 2023, Utility Services Advisory Group, Inc. (Utility Services Advisory Group) filed a request with the Pennsylvania Public Utility Commission (Commission) to change the name on its license to provide electric generation services, as a broker/marketer, to Utility Services Advisory Group, Inc. d/b/a USA Group Energy.

Currently, Utility Services Advisory Group is licensed as Utility Services Advisory Group, Inc. as a broker/marketer to residential, small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

Utility Services Advisory Group has provided the proper Pennsylvania Department of State documentation and has provided proof of service to the interested parties as required by the Commission.

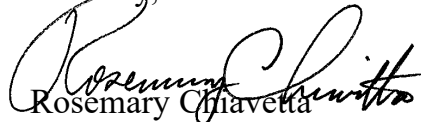

Therefore, the Commission approves, by this Secretarial Letter, the change of Utility Services Advisory Group, Inc.'s name on its license for the provision of electric generation services as a broker/marketer.

The Secretary's Bureau will issue a new license to Utility Services Advisory Group, Inc. d/b/a USA Group Energy the right to begin to offer, render, furnish, or supply electric generation services as a broker/marketer to residential, small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

The Secretary's Bureau and the Bureau of Administration, Financial and Assessments will update the company's name in their computer systems and lists, as appropriate, to be Utility Services Advisory Group, Inc. d/b/a USA Group Energy.

If you have any questions in this matter, please contact Jeff McCracken of the Bureau of Technical Utility Services at jmccracken@pa.gov or 717-783-6163.
