Re: Petition of PECO Energy Company to Extend its Electric Vehicle DCFC Pilot Rider by 18 Months to December 31, 2025

Dear Mr. Webster:

On September 26, 2023, PECO Energy Company (the Company) filed Supplement No. 33 to Tariff Electric - Pa. P.U.C. No. 7 to become effective on September 27, 2023. The supplement was filed in accordance with the Commission's Order dated September 21, 2023 at the above docket, and reflects the approved extension of the Company's Electric Vehicle Direct Current Fast Charger (DCFC) Pilot Rider by 18 months to December 31, 2025.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 33 to Tariff Electric - Pa. P.U.C. No. 7 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or [maboyle@pa.gov](mailto:maboyle@pa.gov).

Sincerely,

Rosemary Chiavetta  
Secretary
