Re: Philadelphia Gas Works Tariff Supplement Revising Weather Normalization Adjustment

Dear Ms. Moury:

By Opinion & Order entered September 21, 2023, the Commission directed Philadelphia Gas Works (the Company) to file a modified tariff supplement excluding the month of May from the Company's Weather Normalization Adjustment calculation. On October 3, 2023, the Company filed Supplement No. 166 to Gas Service Tariff Pa. P.U.C. No. 2 to become effective October 5, 2023 in compliance with the order.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 166 to Gas Service Tariff Pa. P.U.C. No. 2 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or maboyle@pa.gov.

Sincerely,

Rosemary Chiavetta
Secretary
