RE: Renodis ER, LLC

Dear Mr. Sniezek:

We understand that Renodis ER, LLC has applied with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania, including our company's service area.

Because Renodis ER, LLC intends to only provide natural gas aggregating, brokering, and consulting services at this time, we have determined that Renodis ER, LLC will not be required to post a bond or other form of financial security instrument to provide these services in our service area. However, if the services provided change in the future, we reserve the right to require security from Renodis ER, LLC as deemed appropriate.

If you have any questions, please contact Jamie Beale at 570-888-9664 (Ext. 5232).

Sincerely,

Edward E. Rogers

Dear Frank Sniezek:

We are pleased that Renodis ER, LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Renodis ER, LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Renodis ER, LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Renodis ER, LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Renodis ER, LLC changes in the future, Columbia Gas might deem it appropriate to require Renodis ER, LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4980 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Kylia Davis

RE: Security Requirement Bond for Renodis ER, LLC

Dear Mr. Sniezek,

Philadelphia Gas Works ("PGW") is aware that Renodis ER, LLC has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, Renodis ER, LLC must furnish acceptable security to each utility where Renodis ER, LLC will do business. As such, under its tariff, Philadelphia Gas Works could require Renodis ER, LLC to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that Renodis ER, LLC intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that in performing these services Renodis ER, LLC will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, Renodis ER, LLC does not need to post a bond or other form of security to operate in its service territory. If the services provided by Renodis ER, LLC should change, Philadelphia Gas Works reserves the right to require security from Renodis ER, LLC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 215-684-6725.

Sincerely,

John Zuk (Oct 20, 2023 06:50 EDT)
