RE: Electric Generation Supplier License Application

Dear Ms. Van Gelder:

On October 25, 2023, the Pennsylvania Public Utility Commission (Commission) received RESCOM ENERGY LLC's application for an Electric Generation Supplier (EGS) license.

All instances of this error must be corrected throughout the EGS Application Package including notarized affidavits.

Section 1.c of the application was incomplete or not properly completed. In order for the Commission to accept the application for review, these deficiencies must be corrected. Failure to respond timely will result in the application being deemed rejected¹ and the docket will be closed.

Please use the Commission's efilng system or an overnight delivery service to submit the requested information to the Secretary of the Commission **within 20 days** from the date of this letter. Please submit revised application pages for each section. The Commission accepts all public documents through our efilng system and strongly recommends companies open an efilng account through the Commission's website at <https://efiling.puc.pa.gov>.
