Re: PUC Bureau of Investigation and Enforcement
v. Mifflin Energy Corp.
Docket Number: M-2023-3019782

To Parties of Record:

On September 21, 2023, the Commission entered and served an Order at the above captioned case and docket. The Order was published in the Pennsylvania Bulletin on October 7, 2023, asking parties to file comments within 25 days of the Bulletin's publication – by the close of business on November 3, 2023. Comments were filed by the Pennsylvania Independent Oil & Gas Association (PIOGA) on November 1, 2023. Although PIOGA was not an active party to the case, it failed to serve the Parties of Record and did not include a Certificate of Service in accordance with 52 Pa. Code Section 1.54 when filing its comments with the Commission.

Therefore, to ensure due process and correct the failure of PIOGA's counsel to serve the other Parties of Record, we are placing this Secretarial Letter on the record of the docket and serving it electronically upon the Parties of Record along with an electronic copy of PIOGA's comments. Any Party wishing to file supplemental comments replying to PIOGA's comments may do so by the close of business on Wednesday, November 8, 2023.

Sincerely,

Rosemary Chiavetta
Secretary
