- i. How often will the criminal background checks be conducted?
- ii. How will you maintain records of the criminal background checks performed?

Criminal backgrounds checks will be conducted prior to hiring a driver for the first time and additionally every two years after the previous background check if the driver is still employed with the company. The records of the criminal background check will be kept in each individual driver file. Currently we use software to store driver qualification files for DOT compliance electronically which are password protected on cloud servers.

Your system for conducting driver license checks?

- i. How often will these checks be performed?
- ii. How will you maintain records of such checks?

Driver license (MVR) checks will be conducted prior to hiring a driver for the first time and additionally every 12 months, not more than 365 days after the previous driver license record check if the driver is still employed with the company. The records of the driver license check will be kept in each individual driver file. Currently we use software to store driver qualification files for DOT compliance electronically which are password protected on cloud servers.
