Dear Sir or Madam,

I'm writing in reference to my case # F2023-3044014. I received a message in my email stating I agreed to e-filing. I ask that my case will be through US Mail. I'm not very good with attachments and converting jpeg and things like that, Please send all correspondence by US mail. I had already requested this, but the email stated I had requested e-file.

Thank You,

Melinda Stakem
