Re: Docket Nos. A-2020-3020380 and A-2020-3023412: Bounce Energy, Inc. Electric Broker and Natural Gas Broker License Amendment

Dear Secretary Chiavetta:

Enclosed please find updates to Bounce Energy, Inc.'s ("Bounce Energy") electricity and natural gas broker license applications that were approved in Docket Nos. A-2020-3020380 and A-2020-3023412. This update reflects a change in operations to clarify that Bounce Energy will *not* take title to the electricity or natural gas, nor make payments for customers.

With this update, Bounce Energy requests that the collateral posting necessary to support Bounce's electricity broker license be reduced from \$250,000.00 to \$10,000.00, consistent with the financial security requirements described in Section 7.a. of the EGS Application Package for Marketers and Brokers.

Updated application pages reflecting this change in operations are enclosed, as well as a Verification, and Certificate of Service. Also enclosed, are checks in the amount of \$350.00 each to cover the cost of the filing fees.

Should you have any questions or require additional information, please contact me at 301.509.1508 or via e-mail at lgibbons@nrg.com.

Sincerely,

A handwritten signature in blue ink that reads "Leah Gibbons". The signature is written in a cursive, flowing style.
