RE: National Fuel Gas Distribution Corporation's 2023 **Updated** Annual UFG Report  
Docket No. M-2023-3037447

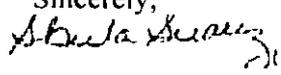

Dear Secretary Chiavetta:

Pursuant to the annual reporting requirement of Section 59.111 of the Commission's Regulations, National Fuel Gas Distribution Corporation ("National Fuel") is submitting its final numbers for the Unaccounted-for-Gas (UFG) Report for the 12 months ending August 31, 2023. The Company provided a calculation on September 30, 2023 that reflected an initial estimate based off of August numbers. Enclosed is the final calculation of the UFG for the twelve months ending August 31, 2023.

For the following reasons, National Fuel reports only for its distribution system:

- All local production feeds directly into National Fuel's distribution system; there is no local production/gathering system.
- Although National Fuel contracts for storage service from upstream interstate pipelines, it has no storage system itself. Pipeline storage activity (injections, withdrawal and fuel/loss retention) has no impact upon UFG within National Fuel's distribution system.
- While National Fuel does have a relatively small amount of transmission capacity, there is no measurement between the transmission facilities and the distribution system. As a result, any transmission UFG will be reported as a part of the distribution system UFG.

Please direct any questions regarding the UFG Report to my attention (716)857-7568 or via email at [suarezs@natfuel.com](mailto:suarezs@natfuel.com).

Sincerely,  
  
Sheila Suarez  
Assistant General Manager  
Rates & Regulatory Affairs

UPS CampusShip: View/Print Label

1. Ensure there are no other shipping or tracking labels attached to your package. Select the Print button on the print dialog box that appears. Note: If your browser does not support this function select Print from the File menu to print the label.
2. Fold the printed label at the solid line below. Place the label in a UPS Shipping Pouch. If you do not have a pouch, affix the folded label using clear plastic shipping tape over the entire label.

**3. GETTING YOUR SHIPMENT TO UPS**  
**Customers with a Daily Pickup**

Your driver will pickup your shipment(s) as usual.

**Customers without a Daily Pickup**

Take your package to any location of The UPS Store®, UPS Access Point™(TM) location, UPS Drop Box, UPS Customer Center, Staples® or Authorized Shipping Outlet near you. Items sent via UPS Return Services(SM) (including via Ground) are also accepted at Drop Boxes. To find the location nearest you, please visit the Resources area of CampusShip and select UPS Locations.

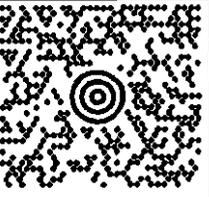

Schedule a same day or future day Pickup to have a UPS driver pickup all your CampusShip packages.  
Hand the package to any UPS driver in your area.
