Re: Application of Kelvin D Ferguson & Sons LLC
Docket No. A-2022-3036486; Utility Code No. A-8925552

Dear Secretary Chiavetta:

By this letter, Kelvin D Ferguson & Sons LLC (“Ferguson”) respectfully requests an extension of time to comply with the October 16, 2023 Secretarial Letter issued in the above-captioned matter. By that Secretarial Letter, Ferguson is required to have a Form E and Form H filed by an insurance company, along with a tariff by December 15, 2023. **Ferguson respectfully requests an extension until December 29, 2023.**

Ferguson’s insurance carrier has filed the requisite Form E evidencing liability insurance, and has the tariff ready to be filed upon filing of the Form H. The reason for this request is that Ferguson is dependent upon the insurance carrier to make the Form H filing showing cargo insurance. Although Ferguson has obtained the necessary cargo insurance, delays have occurred beyond Ferguson’s control in having the evidence of this insurance filed with the Commission.

While Ferguson’s cargo insurance carrier expects to make this filing before the compliance date, we are filing this request for an extension out of an abundance of caution and because we cannot ensure that the filing will be timely made. We appreciate your consideration of this request. If anything further is needed, please do not hesitate to contact me.

Sincerely,

/s/ Karen O. Moury
