Harrisburg, Pennsylvania 17120**

**Lynde Blymier
vs.
Sunoco Pipeline, L.P.**

**Public Meeting held December 21, 2023
3040188-ALJ
Docket No. C-2023-3040188**

STATEMENT OF VICE CHAIR KIMBERLY BARROW

Lynde Blymier is a private citizen who lives in Carlisle, Pennsylvania. Largely on her own, she hired an environmental engineering firm, and presented evidence to the Commission in the form of a formal complaint of a potential subsidence near the Regency South Mobile Home Park, where Sunoco's pipeline is located.

Ms. Blymier's requested relief was only that an independent review of the alleged subsidence takes place. I support referring the information contained in Ms. Blymier's complaint to our Bureau of Investigation and Enforcement. The reporting and diligent observation of private citizens is an important tool in the Commission's oversight of utility facilities. I would request our Bureau of Investigation and Enforcement inform Ms. Blymier of the result of any formal investigation that results from her complaint, including if it decides that, based on its review, an investigation is not warranted.
