**RE: Distribution System Improvement Charge  
Effective January 1, 2024  
M-2023-3045108**

Dear Ms. Farah:

The Bureau of Audits has reviewed Duquesne Light Company's proposed Supplement No. 68 to Tariff Electric - PA. P.U.C. No. 25 and the supporting rate computations submitted on December 21, 2023 to become effective on January 1, 2024.

Based upon staff review, it appears that the proposed Distribution System Improvement Charge (DSIC) rate for the three-month period of January 1, 2024 through March 31, 2024 is consistent with the tariff and, accordingly, are permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. §1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2023-3045108.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rosemary Chiavetta', written in a cursive style.

Rosemary Chiavetta  
Secretary
