Application of PPL Electric Utilities for approval of the alteration of the crossing where State Route 1014 (Hill Street) crosses, at grade, track of Delaware and Lackawanna Railroad by the replacement of an aerial electric line located in the City of Scranton, Lackawanna County

To Whom It May Concern:

The above-captioned application was filed with the Commission requesting approval to alter the public crossing within the right-of-way of the subject roadway and railroad.

It is requested that each party in interest review the application and notify the Commission of any objection to the application by January 25, 2024. If any objection to the application is not filed with the Commission by the above stated date, the Commission will approve the application permitting PPL Electric Utilities to install its facilities within the public crossing listed in this proceeding in accordance with Section 2702, Title 66 of the Pennsylvania Public Utility Code.

All parties are being served via email. Please e-file any written objections and formal correspondence via <https://efiling.puc.pa.gov> and e-mail a copy to the below address.
