Docket No. C-2018-3006031

January 22, 2024

MOTION FOR EXTENSION OF TIME

Honorable Chiodo,

I am requesting an extension of time in order to prepare for my post-evidentiary hearing since the landscape has changed dramatically since the stay. My reasoning is as follows:

1 – Being pro se, I am at an automatic disadvantage as I do not have the staffing resources that are at West Penn Power’s avail. I am not an attorney and lack legal knowledge. I do not have a staff to do research on documents. There are many filings and documents to sort through and decipher.

2 – A further constraint on my time is the 24/7 care of our disabled 29-year old son. He requires constant attention due to his behaviors. I have very little time to concentrate, apply what I have learned, and then prepare my documents.

3 – Two cases at the Commonwealth Court are still active and awaiting decisions: McKnight 1253 CD 2019 and Hughes 827 CD 2020. The decisions in these two cases could have a bearing on my formal complaint. I am requesting an extension of time until the Commonwealth Court issues rulings and both cases are resolved.

THEREFORE, Michael T. Jennings respectfully requests an extension of time until the Commonwealth Court hands down decisions in the above-mentioned cases In order to prepare for my post-evidentiary hearing.

This document has been served as shown in the Certificate of Services.

Respectfully Submitted,

Michael T. Jennings
