Re: Thomas and Norma Mosely, Complainant  
v.  
Metropolitan Edison Company, Respondent  
Docket Number C-2018-3001526

Dear Ms. Mosely:

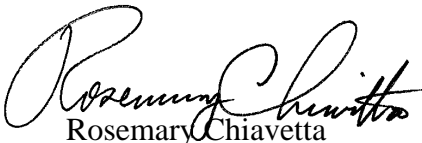

On December 18, 2023, the Commission issued a final order in the above captioned complaint case dismissing your complaint. You then had 15 days from the date of service – by January 2, 2024, to file a Petition for Reconsideration of your complaint in accordance with 52 Pa. Code Section 5.572(c).

No Petition for Reconsideration was filed before that deadline. Instead, a handwritten note from you was received on January 3, 2024, requesting additional time to file exceptions. Please know that the deadline to file such exceptions or a Petition for Reconsideration have expired.

However, if you decide to pursue your complaint further, you may file what is called a Petition for Recission in accordance with 52 Pa. Code Section 5.572(d). Filing such a petition will reopen your complaint case for further reconsideration by the Commission. Please know that this is not a guarantee that your complaint will be granted but will permit the Commission to reexamine the allegations of your complaint. The Petition must be legible and explain why your complaint should be reopened. The filing must be submitted to my office by either opening and using an efilng account – free of charge through the Commission’s website, or you may mail the filing to my office by overnight delivery or certified mail.

If you decide to pursue the filing of a Petition for Recission, you must do so within 20 days of the date of this Secretarial Letter – by the close of business on Tuesday, February 20, 2024.

Sincerely,

  
Rosemary Chiavetta  
Secretary of the Commission
