

Hi PUC,

C-2024-3043824

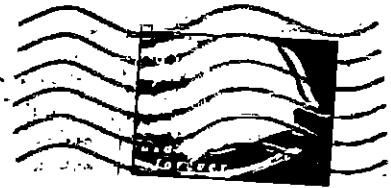

The idiots at PPL finally started mailing me my electric bill. I will not contact you anymore. Please don't contact me anymore. I don't want to talk to you or them. I accept being overcharged, because I believe in karma. I'm no longer interested in pursuing in any legal action. I turn this situation to God + the Universe.

Margaret Doucette.
