Re: Towamencin Township's Original Tariff to Wastewater – Pa. P.U.C. No. 1; Compliance Filing

Dear Mr. Small:

On January 30, 2024, Towamencin Township (the Company) filed Original Tariff to Tariff Wastewater - Pa. P.U.C. No. 1 to become effective on January 31, 2024. Original Tariff to Tariff Wastewater - Pa. P.U.C. No. 1 was filed in compliance with the Commission's Order entered January 18, 2024 at Docket No. A-2023-3040661, and grants the Company with approval to supply wastewater service to certain portions of Worcester Township, Lower Salford Township, Franconia Township, and Lansdale Borough, all in Montgomery County. On January 31, 2024, the Company filed a revised original tariff to correct the utility name¹, in addition to other minor formatting corrections. The Commission thereby rejects the tariff pages filed January 30, 2024, and accepts the revised tariff pages filed January 31, 2024.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Original Tariff to Tariff Wastewater - Pa. P.U.C. No. 1 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Vanessa Johns, Bureau of Technical Utility Services, at (717) 214-9114 or vanjohns@pa.gov.

Sincerely,

Rosemary Chiavetta
Secretary

¹ Each page of the compliance tariff was revised to correct the name of the utility from Towamencin Township Municipal Authority to Towamencin Township in accordance with the authority granted in the above docket.
