RE : Exceptions / To all parties

Andree Lombard v. PECO Energy Company
PUC Docket No. C-2023-3041719

Dear Mrs. Chiavetta,

This is in response to your letter dated January 23 , 2024 and I do not agree with the decision and therefore file the Exceptions to the decision.

As I mentioned in my complaint the bill from PECO of \$272.00 (05/2023) was paid on time but since I enrolled in the budget billing it jumped to \$400.40 which disrupted the payment agreement.

PECO's witness , Anthony Costello's explanation says that the budget billing allows a customer to "level out seasonal billing' which resulted in a higher billing and at the same time disrupted the previous payment agreement.

This is my only proof to my complaint and I ask if the PUC could initiate a new payment arrangement (I have paid all the current billings in the meantime).

Sincerely
Andree Lombard
