42. Respondent failed to pay its cumulative 2022-2023 and 2023-2024 Fiscal Year Assessment Invoice of \$172.00.

III. VIOLATIONS

Counts 1-4

43. That Respondent failed to report its gross intrastate operating revenues for The 2018, 2019, 2021 and 2022 calendar years in that it did not file assessment reports for these calendar years. If proven, this is a violation of Section 510(b) of the Public Utility Code, 66 Pa.C.S. § 510(b) (4 counts). The Bureau of Investigation and Enforcement's proposed civil penalty for this violation is \$2,000 (\$500/each count). This civil penalty, consistent with past Commission decisions, is based on the following factors: (1) the type of violation involved; (2) the amount of Respondent's outstanding assessment balance related to the 2022-2023 and 2023-2024 Fiscal Years; and (3) Respondent's compliance history with the Public Utility Code and Commission's regulations for three (3) years prior to the filing of this Complaint.

Counts 5-6

44. Respondent failed to satisfy its 2022-2023 and 2023-2024 Fiscal Year Assessments in that it did not pay the amounts due within thirty (30) days of receipt of assessment invoice. If proven, this is a violation of Section 510(c) of the Public Utility Code, 66 Pa.C.S. § 510(c) (2 counts). I&E's proposed civil penalty for the failure to satisfy its 2022-2023 Fiscal Year assessment invoice is \$100. I&E's proposed civil penalty for the failure to satisfy its 2023-2024 Fiscal Year assessment invoice is \$100. The total proposed civil penalty for Counts 5 and 6 is \$200.¹ This civil penalty, consistent with past Commission decisions,² is based on the following factors: (1) the type of violation involved; (2) the amount of Respondent's outstanding assessment balance related to the 2022-2023 and 2023-2024 Fiscal Years; and (3) Respondent's compliance history with the Public Utility Code and Commission regulations³ for three (3) years prior to the filing of this Complaint.

WHEREFORE, for all the foregoing reasons, the Pennsylvania Public Utility Commission's Bureau of Investigation and Enforcement respectfully requests that:

¹ I&E anticipates that this level of penalty, given Respondent's poor compliance history, will provide a sufficient deterrent against future violations by Respondent. The civil penalty for failing to pay its Assessment Invoices is 25 percent of each fiscal year's Assessment Invoice rounded up to the nearest hundred dollar figure.

² See *Pa. Pub. Util. Comm'n v. Juan Genet Enter., LLC t/a Safe Destinations*, Docket No. C-2014-2450660 (Order entered August 3, 2017); *Pa. Pub. Util. Comm'n v. Leo Movers & Storage, Inc.*, Docket No. C-2015-2494528 (Order entered August 3, 2017); *Pa. Pub. Util. Comm'n v. Hoffman Landscaping & Trucking, LLP*, Docket No. C-2015-2495061 (Order entered September 21, 2017); *Pa. Pub. Util. Comm'n v. Deer Haven, LLP*, Docket No. C-2015-2498095 (Order entered October 26, 2017); *Pa. Pub. Util. Comm'n v. Reach for the Stars Limousine Serv. Inc.*, Docket No. C-2015-2499276 (Order entered October 26, 2017).

³ A review of the Commission's records for a period of three (3) years prior to the date of the filing of this Complaint demonstrates that Respondent does not have an acceptable compliance history with the Commission, having failed to file assessment reports stating its gross intrastate revenue as required under 66 Pa.C.S. § 510(b) for two of the past three calendar years and its assessments for the past two fiscal years as required under 66 Pa. C.S. § 510(c).

- (1) Respondent be ordered to pay a total of \$2,372, which consists of its cumulative outstanding assessment balance of \$172 and a total civil penalty of \$2,200 for the above-described violations. Said payment should be made by certified check or money order, made payable to the “Commonwealth of Pennsylvania” with the docket number of this proceeding listed, and mailed to the Secretary’s Bureau of the Commission;
- (2) Respondent be directed to file assessment reports on a going-forward basis; and
- (3) If payment of the assessments and total civil penalty is not made, the Bureau of Investigation and Enforcement requests that:
 - a. the Commission issue an Order to cancel the Certificate of Public Convenience issued to Respondent;
 - b. this matter be referred to the Pennsylvania Office of Attorney General for appropriate action; and
 - c. the Commission certify motor vehicle registrations to the Pennsylvania Department of Transportation, if any, for suspension or revocation.

LINE-BY-LINE INSTRUCTIONS

Line 1. *Pennsylvania Gross Intrastate Operating Revenue.*

Report Pennsylvania gross intrastate operating revenue here. This is earned gross revenue from your public utility operations within the boundaries of the Commonwealth of Pennsylvania, without deduction of expenses of any kind. Fuel surcharges must be included as revenue. Revenue must be reported in the appropriate column. For example, if all of your revenue was from the transportation of property, you must report all revenue in the 'property' column. If your revenue was from 2 or more types of common carriage, you must report the amount of revenue received from each type, in the appropriate column.

Line 2. *Pennsylvania Exempt Intrastate Revenue Total.*

Report Exempt Intrastate Revenue here. You must itemize any exemptions on the "Exempt Intrastate Revenue" lines on the Report. Please see the list of allowable exemptions on page 2 of the instructions. Include the exemption # and amount. Attach additional sheets of paper as needed for explanation of exemptions. The PUC may disallow your exemptions if you fail to itemize. Total all exempt revenue on Line 2.

Revenue earned from service under the jurisdiction of the Philadelphia Parking Authority must be reported as exempt revenue.

Line 3. *Pennsylvania Net Intrastate Operating Revenue.*

Subtract Line 2 from Line 1. This revenue is used to calculate your assessment. If this report is not filed or filed late, your net revenue will be estimated. This estimate is binding.

UCR REGISTRATION INFORMATION

You must check the appropriate box. If you are an interstate carrier and required to register under the UCR Program, you must check 'yes' and provide your U.S. DOT number. For the purposes of this report, INTERSTATE operating revenue refers to revenue earned from the transportation of property or persons between points of origin and destination, either or both of which are outside Pennsylvania. Further information on the UCR Program may be found at www.ucr.in.gov

AUTHORIZATION FOR ABANDONMENT

If you are no longer in business or desire to cease operations, you may direct the Commission to cancel your certificate of public convenience. You must state the reason for the abandonment and sign in the assigned block.

EXEMPT REVENUE

The following is a description of Exempt Revenue you may deduct on Line 2, as provided by 66 Pa.C.S. §102:

1. **LEASE REVENUE** – You may deduct lease revenue. Lease revenue is revenue a certificated carrier (lessor) receives when it leases its equipment to another certificated carrier (lessee). The lessor carrier cannot retain any responsibility for the maintenance, supervision or control of the vehicle. The leasing arrangement must be in compliance with the Commission’s leasing regulations, which are found at 52 Pa. Code sections 29.101 (passenger carrier leasing) and 31.32 (property and household carrier leasing). The lessor must include in its assessment report the name(s) of the carrier(s) and the certificate of public convenience number to which it leases its equipment and the amount of revenue received from the carrier. Lessees cannot use rental/lease fees paid to the lessor to offset operating revenue and must report, for assessment purposes, all revenues earned under their certificate of public convenience.
2. **TRANSPORTATION OF K-12 SCHOOL CHILDREN** – You may deduct revenue you received from a kindergarten through 12th grade public, private or parochial school for the transportation of schoolchildren for school purposes or school sponsored extra-curricular activities, under a bona fide transportation contract with a public, private or parochial school.
3. **TRANSPORTATION OF AGRICULTURE PRODUCTS** – Farm owners and operators may deduct revenue from transporting their own agricultural products from, or farm supplies to, their farm. In addition, independent contractors or cooperative agricultural associations, transporting agricultural products or farm supplies exclusively for one or more farm owner(s) or operator(s), may deduct that revenue.
4. **WASTE, EXCAVATED, AND ROAD CONSTRUCTION MATERIALS** – You may deduct revenue you received from transporting ashes (including anti-skid, flue dust and fly ash), rubbish and waste for disposal. The PUC also allows the exemption/deduction of any revenue you received for transporting excavated materials in dump trucks. The purpose of the excavation is to create a hole or cavity. Removing material of value for use elsewhere is NOT exempt. The PUC also allows the exemption/deduction of any revenue you received for transporting road construction materials if a dump truck is used, and the materials hauled are used solely in a private or public road project including driveways (but NOT parking lots), and the materials are hauled directly to road construction sites or stockpiles. Carriers may **not** claim a revenue exemption for waste, excavated and road construction material when those materials were transported in five-axle tractor-trailers.
5. **TRANSPORTATION OF YOUR OWN PROPERTY**- You may deduct revenue you received from transporting your own property to yourself or to those that buy directly from you.
6. **VOTING MACHINES** – You may deduct revenue you received from transporting voting machines to and from polling places on behalf of any political subdivision of the Commonwealth for use in any primary, general or special election.
7. **TRANSPORTATION OF WOOD PRODUCTS FROM WOODLOTS**- You may deduct revenue you received from transporting pulpwood, chemical wood, saw logs, wood chips, or veneer logs solely from woodlots. A woodlot is an area devoted to growing forest trees. Any revenue received from transportation performed from sources other than the woodlots is subject to assessment and may not be deducted.
8. **TRANSPORTATION OF WRECKED OR DISABLED VEHICLES** – You may deduct revenue you received from the transportation of wrecked or disabled motor vehicles from an accident, breakdown, or a place the vehicle was transported after the accident or breakdown, if it is subsequently transported for repair. Revenue from transportation of wrecked or disabled vehicles to or from auctions is NOT exempt.
9. **TRANSPORTATION OF STOLEN OR REPOSSESSED VEHICLES**- You may deduct revenue you received from the transportation of stolen or repossessed vehicles. Revenue from transportation of stolen or repossessed vehicles to or from auctions is NOT exempt.
10. **TRANSPORTATION OF INJURED, ILL OR DECEASED PERSONS** – You may deduct revenue you received from transporting an injured or ill person to a health care facility, when that transportation is performed in an ambulance or a medically equipped vehicle containing portable oxygen. A medical attendant must be in the vehicle in addition to the driver. LINE-BY-LINE INSTRUCTIONS

Line 1. *Pennsylvania Gross Intrastate Operating Revenue.*

Report Pennsylvania gross intrastate operating revenue here. This is earned gross revenue from your public utility operations within the boundaries of the Commonwealth of Pennsylvania, without deduction of expenses of any kind. Fuel surcharges must be included as revenue. Revenue must be reported in the appropriate column. For example, if all your revenue was from the transportation of property, you must report all revenue in the 'property' column. If your revenue was from 2 or more types of common carriage, you must report the amount of revenue received from each type, in the appropriate column.

Line 2. *Pennsylvania Exempt Intrastate Revenue Total.*

Report Exempt Intrastate Revenue here. You must itemize any exemptions on the "Exempt Intrastate Revenue" lines on the Report. Please see the list of allowable exemptions on page 2 of the instructions. **You must include the exemption number and amount. Attach additional sheets of paper as needed for explanation of exemptions. The PUC may disallow your exemptions if you fail to itemize.** Total all exempt revenue on Line 2.

Revenue earned from service under the jurisdiction of the Philadelphia Parking Authority must be reported as exempt revenue, you may use number 11 from the exemption list.

Line 3. *Pennsylvania Net Intrastate Operating Revenue.*

Subtract Line 2 from Line 1. This revenue is used to calculate your assessment. If this report is not filed or filed late, your net revenue will be estimated. This estimate is binding.

UCR REGISTRATION INFORMATION

You must check the appropriate box. If you are an interstate carrier and required to register under the UCR Program, you must check 'yes' and provide your U.S. DOT number. For the purposes of this report - INTERSTATE operating revenue refers to revenue earned from the transportation of property or persons between points of origin and destination, either or both of which are outside Pennsylvania. Further information on the UCR Program may be found at **WWW.UCR.GOV**.

AUTHORIZATION FOR ABANDONMENT

If you are no longer in business or desire to cease operations, you may direct the Commission to cancel your certificate of public convenience. You must state the reason for the abandonment and sign in the assigned block on the back of the report.

EXEMPT REVENUE

The following is a description of Exempt Revenue you may deduct on Line 2, as provided by 66 Pa.C.S. §102:

1. **LEASE REVENUE** – You may deduct lease revenue. Lease revenue is revenue a certificated carrier (lessor) receives when it leases its equipment to another certificated carrier (lessee). The lessor carrier cannot retain any responsibility for the maintenance, supervision or control of the vehicle. The leasing arrangement must be in compliance with the Commission’s leasing regulations, which are found at 52 Pa. Code sections 29.101 (passenger carrier leasing) and 31.32 (property and household carrier leasing). **The lessor must include in its assessment report the name(s) of the carrier(s) and the certificate of public convenience number to which it leases its equipment and the amount of revenue received from the carrier.** Lessees cannot use rental/lease fees paid to the lessor to offset operating revenue and must report, for assessment purposes, all revenues earned under their certificate of public convenience.
2. **TRANSPORTATION OF K-12 SCHOOL CHILDREN** – You may deduct revenue you received from a kindergarten through 12th grade public, private or parochial school for the transportation of school children for school purposes or school sponsored extra-curricular activities, under a bona fide transportation contract with a public, private or parochial school.
3. **TRANSPORTATION OF AGRICULTURE PRODUCTS** – Farm owners and operators may deduct revenue from transporting their own agricultural products from, or farm supplies to, their farm. In addition, independent contractors or cooperative agricultural associations, transporting agricultural products or farm supplies exclusively for one or more farm owner(s) or operator(s), may deduct that revenue.
4. **WASTE, EXCAVATED, AND ROAD CONSTRUCTION MATERIALS** – You may deduct revenue you received from transporting ashes (including anti-skid, flue dust and fly ash), rubbish and waste for disposal. The PUC also allows the exemption/deduction of any revenue you received for transporting excavated materials in dump trucks. The purpose of the excavation is to create a hole or cavity. Removing material of value for use elsewhere is NOT exempt. The PUC also allows the exemption/deduction of any revenue you received for transporting road construction materials if a dump truck is used, and the materials hauled are used solely in a private or public road project including driveways (but NOT parking lots), and the materials are hauled directly to road construction sites or stockpiles. Carriers may **not** claim a revenue exemption for waste, excavated and road construction material when those materials were transported in five-axle tractor-trailers.
5. **TRANSPORTATION OF YOUR OWN PROPERTY**- You may deduct revenue you received from transporting your own property to yourself or to those that buy directly from you.
6. **VOTING MACHINES** – You may deduct revenue you received from transporting voting machines to and from polling places on behalf of any political subdivision of the Commonwealth for use in any primary, general or special election.
7. **TRANSPORTATION OF WOOD PRODUCTS FROM WOODLOTS**- You may deduct revenue you received from transporting pulpwood, chemical wood, saw logs, wood chips, or veneer logs solely from woodlots. A woodlot is an area devoted to growing forest trees. Any revenue received from transportation performed from sources other than the woodlots is subject to assessment and may not be deducted.
8. **TRANSPORTATION OF WRECKED OR DISABLED VEHICLES** – You may deduct revenue you received from the transportation of wrecked or disabled motor vehicles from an accident, breakdown, or a place the vehicle was transported after the accident or breakdown, if it is subsequently transported for repair. Revenue from transportation of wrecked or disabled vehicles to or from auctions is NOT exempt.
9. **TRANSPORTATION OF STOLEN OR REPOSSESSED VEHICLES**- You may deduct revenue you received from the transportation of stolen or repossessed vehicles. Revenue from transportation of stolen or repossessed vehicles to or from auctions is NOT exempt.
10. **TRANSPORTATION OF INJURED, ILL OR DECEASED PERSONS** – You may deduct revenue you received from transporting an injured or ill person to a health care facility, when that transportation is performed in an ambulance or a medically equipped vehicle containing portable oxygen. A medical attendant must be in the vehicle in addition to the driver. A health care facility includes a hospital, clinic, dialysis center, nursing care institution, home health agency, infirmary, or behavioral service provider. A doctor’s office is **NOT** a health care facility. In addition, you may deduct revenue you received from transporting deceased persons.
11. **TRANSPORTATION UNDER CONTRACT WITH MUNICIPAL CORPORATIONS**- You may deduct revenue you received from passenger transportation performed under contract with a municipal corporation, provided that: (1) the municipal corporation actively regulates your rates, routes and services; and (2) the transportation is limited to municipal residents. This deduction does not apply to contracts with state agencies.

PENNSYLVANIA PUBLIC UTILITY COMMISSION

NOTICE OF ASSESSMENT

EXPLANATION OF BILL FOR GENERAL ASSESSMENT
FOR FISCAL YEAR JULY 1, 2022 TO JUNE 30, 2023

In Section 510 of the Public Utility Code, 66 Pa. C.S. §510, the Pennsylvania General Assembly has authorized the Pennsylvania Public Utility Commission to assess all public utilities a percentage of their gross intrastate operating revenues for the preceding calendar year. Under Section 510, each public utility is required, on or before March 31 of each year to file with the Commission a statement of the utility's gross intrastate operating revenues for the preceding calendar year. After receiving the utilities' statements of gross intrastate operating revenues, the Commission sends general assessment invoices to all public utilities to advise each utility of the amount of assessment that utility owes based upon that utility's activity (gross intrastate operating revenues) in the preceding year. The enclosed assessment is for your proportionate share of the estimated expenses of the Public Utility Commission for the Commission's Fiscal Year July 1, 2022 to June 30, 2023.

YOU ARE REQUIRED TO PAY THIS BILL WITHIN THIRTY DAYS AFTER YOU RECEIVE IT. Objections to the assessment must be made in writing within 15 days and shall set out in detail the grounds upon which you regard the assessment to be excessive, erroneous, unlawful, or invalid. Objections may be filed only by the person, partnership, or corporation assessed. Filing an objection, however, does not eliminate your obligation to pay the assessment while your objection is being considered. **FAILURE TO PAY THE ASSESSMENT WHEN PAYMENT IS DUE WILL SUBJECT YOU TO PENALTIES.**

Be sure that your personal check or money order is written out in the same amount as your assessment invoice, and make your remittance payable to, "Commonwealth of PA". **DO NOT SEND CASH.** If you have reason to correspond with the Commission regarding your assessment invoice, please refer to your invoice number. A receipt for payment will not be issued. Please mail your payment with the return portion of your invoice in the enclosed self-addressed envelope. Please note that rounding of your assessment to the nearest dollar has occurred. Your assessment for the PUC, including the OCA, OSBA and the DPC where applicable, has been combined into one invoice; one payment for all applicable assessments is acceptable. **A TWENTY DOLLAR (\$20.00) FEE WILL BE CHARGED FOR ALL DISHONORED OR BAD CHECKS REMITTED AS PAYMENT OF ASSESSMENTS.**

Your assessment has been computed by multiplying your gross intrastate operating revenues for the calendar year 2021 by the assessment factor for the public utility group of which you are a member. Your gross intrastate operating revenues for 2021 have been taken from the Assessment Reports Form GAO-21, AR-21-RR or AR-21-MC which you have filed with the Commission, or have been estimated by the Commission if you failed to file a timely report. Gross operating revenue reported to the Commission on the Assessment Reports may have been revised by the Commission to accurately reflect assessable revenue. The assessment factors for the various public utility groups are set forth in Schedule B enclosed herewith.

The approved estimate of expenditures of the Commission for the period July 1, 2022 to June 30, 2023 payable as a General Assessment by the public utilities which the Commission regulates has been determined as follows:

| | |
|--|---------------------|
| Approved budget for the Commission for the Fiscal Year July 1, 2022 through June 30, 2023: | \$77,577,478 |

LINE-BY-LINE INSTRUCTIONS

Line 1. Pennsylvania Gross Intrastate Operating Revenue.

Report Pennsylvania gross intrastate operating revenue here. This is earned gross revenue from your public utility operations within the boundaries of the Commonwealth of Pennsylvania, without deduction of expenses of any kind. Fuel surcharges must be included as revenue. Revenue must be reported in the appropriate column. For example, if all your revenue was from the transportation of property, you must report all revenue in the 'property' column. If your revenue was from 2 or more types of common carriage, you must report the amount of revenue received from each type, in the appropriate column.

Line 2. Pennsylvania Exempt Intrastate Revenue Total.

Report Exempt Intrastate Revenue here. You must itemize any exemptions on the "Exempt Intrastate Revenue" lines on the Report. Please see the list of allowable exemptions on page 2 of the instructions. **You must include the exemption number and amount. Attach additional sheets of paper as needed for explanation of exemptions. The PUC may disallow your exemptions if you fail to itemize.** Total all exempt revenue on Line 2.

Revenue earned from service under the jurisdiction of the Philadelphia Parking Authority must be reported as exempt revenue, you may use number 11 from the exemption list.

Line 3. Pennsylvania Net Intrastate Operating Revenue.

Subtract Line 2 from Line 1. This revenue is used to calculate your assessment. If this report is not filed or filed late, your net revenue will be estimated. This estimate is binding.

UCR REGISTRATION INFORMATION

You must check the appropriate box. If you are an interstate carrier and required to register under the UCR Program, you must check 'yes' and provide your U.S. DOT number. Further information on the UCR Program may be found at WWW.UCR.GOV.

AUTHORIZATION FOR ABANDONMENT

If you are no longer in business or desire to cease operations, you may direct the Commission to cancel your certificate of public convenience. You must state the reason for the abandonment and sign in the assigned block on the back of the report.

EXEMPT REVENUE

The following is a description of Exempt Revenue you may deduct on Line 2, as provided by 66 Pa.C.S. §102:

1. **LEASE REVENUE** – You may deduct lease revenue. Lease revenue is revenue a certificated carrier (lessor) receives when it leases its equipment to another certificated carrier (lessee). The lessor carrier cannot retain any responsibility for the maintenance, supervision or control of the vehicle. The leasing arrangement must be in compliance with the Commission’s leasing regulations, which are found at 52 Pa. Code sections 29.101 (passenger carrier leasing) and 31.32 (property and household carrier leasing). **The lessor must include in its assessment report the name(s) of the carrier(s) and the certificate of public convenience number to which it leases its equipment and the amount of revenue received from the carrier.** Lessees cannot use rental/lease fees paid to the lessor to offset operating revenue and must report, for assessment purposes, all revenues earned under their certificate of public convenience.
2. **TRANSPORTATION OF K-12 SCHOOL CHILDREN** – You may deduct revenue you received from a kindergarten through 12th grade public, private or parochial school for the transportation of school children for school purposes or school sponsored extra-curricular activities, under a bona fide transportation contract with a public, private, or parochial school.
3. **TRANSPORTATION OF AGRICULTURE PRODUCTS** – Farm owners and operators may deduct revenue from transporting their own agricultural products from, or farm supplies to, their farm. In addition, independent contractors, or cooperative agricultural associations, transporting agricultural products or farm supplies exclusively for one or more farm owner(s) or operator(s), may deduct that revenue.
4. **WASTE, EXCAVATED, AND ROAD CONSTRUCTION MATERIALS** – You may deduct revenue you received from transporting ashes (including anti-skid, flue dust and fly ash), rubbish and waste for disposal. The PUC also allows the exemption/deduction of any revenue you received for transporting excavated materials in dump trucks. The purpose of the excavation is to create a hole or cavity. Removing material of value for use elsewhere is NOT exempt. The PUC also allows the exemption/deduction of any revenue you received for transporting road construction materials if a dump truck is used, and the materials hauled are used solely in a private or public road project including driveways (but NOT parking lots), and the materials are hauled directly to road construction sites or stockpiles. Carriers may **not** claim a revenue exemption for waste, excavated and road construction material when those materials were transported in five-axle tractor-trailers.
5. **TRANSPORTATION OF YOUR OWN PROPERTY**- You may deduct revenue you received from transporting your own property to yourself or to those that buy directly from you.
6. **VOTING MACHINES** – You may deduct revenue you received from transporting voting machines to and from polling places on behalf of any political subdivision of the Commonwealth for use in any primary, general, or special election.
7. **TRANSPORTATION OF WOOD PRODUCTS FROM WOODLOTS**- You may deduct revenue you received from transporting pulpwood, chemical wood, saw logs, wood chips, or veneer logs solely from woodlots. A woodlot is an area devoted to growing forest trees. Any revenue received from transportation performed from sources other than the woodlots is subject to assessment and may not be deducted.
8. **TRANSPORTATION OF WRECKED OR DISABLED VEHICLES** – You may deduct revenue you received from the transportation of wrecked or disabled motor vehicles from an accident, breakdown, or a place the vehicle was transported after the accident or breakdown, if it is subsequently transported for repair. Revenue from transportation of wrecked or disabled vehicles to or from auctions is NOT exempt.
9. **TRANSPORTATION OF STOLEN OR REPOSSESSED VEHICLES**- You may deduct revenue you received from the transportation of stolen or repossessed vehicles. Revenue from transportation of stolen or repossessed vehicles to or from auctions is NOT exempt.
10. **TRANSPORTATION OF INJURED, ILL OR DECEASED PERSONS** – You may deduct revenue you received from transporting an injured or ill person to a health care facility, when that transportation is performed in an ambulance or a medically equipped vehicle containing portable oxygen. A medical attendant must be in the vehicle in addition to the driver. A health care facility includes a hospital, clinic, dialysis center, nursing care institution, home health agency, infirmary, or behavioral service provider. A doctor’s office is **NOT** a health care facility. In addition, you may deduct revenue you received from transporting deceased persons.
11. **TRANSPORTATION UNDER CONTRACT WITH MUNICIPAL CORPORATIONS** - You may deduct revenue you received from passenger transportation performed under contract with a municipal corporation, provided that: (1) the municipal corporation actively regulates your rates, routes and services; and (2) the transportation is limited to municipal residents. This deduction does not apply to contracts with state agencies.

NOTICE OF ASSESSMENT

EXPLANATION OF INVOICE FOR GENERAL ASSESSMENT
FOR FISCAL YEAR JULY 1, 2023 TO JUNE 30, 2024

In Section 510 of the Public Utility Code, 66 Pa. C.S. §510, the Pennsylvania General Assembly has authorized the Pennsylvania Public Utility Commission to assess all public utilities a percentage of their gross intrastate operating revenues for the preceding calendar year. Under Section 510, each public utility is required, on or before March 31 of each year to file with the Commission a statement of the utility's gross intrastate operating revenues for the preceding calendar year. After receiving the utilities' statements of gross intrastate operating revenues, the Commission sends general assessment invoices to all public utilities to advise each utility of the amount of assessment that utility owes based upon that utility's activity (gross intrastate operating revenues) in the preceding year. The enclosed assessment is for your proportionate share of the estimated expenses of the Public Utility Commission for the Commission's Fiscal Year July 1, 2023 to June 30, 2024.

YOU ARE REQUIRED TO PAY THIS INVOICE WITHIN THIRTY DAYS AFTER YOU RECEIVE IT. Objections to the assessment must be made in writing within 15 days and shall set out in detail the grounds upon which you regard the assessment to be excessive, erroneous, unlawful, or invalid. Objections may be filed only by the person, partnership, or corporation assessed. Filing an objection, however, does not eliminate your obligation to pay the assessment while your objection is being considered. **FAILURE TO PAY THE ASSESSMENT WHEN PAYMENT IS DUE WILL SUBJECT YOU TO PENALTIES.**

Be sure that your personal check or money order is written out in the same amount as your assessment invoice, and make your remittance payable to, "Commonwealth of PA". **DO NOT SEND CASH.** If you have reason to correspond with the Commission regarding your assessment invoice, please refer to your invoice number. A receipt for payment will not be issued. Please mail your payment with the return portion of your invoice in the enclosed self-addressed envelope. Please note that rounding of your assessment to the nearest dollar has occurred. Your assessment for the PUC, including the OCA, OSBA and the DPC where applicable, has been combined into one invoice; one payment for all applicable assessments is acceptable. **A TWENTY DOLLAR (\$20.00) FEE WILL BE CHARGED FOR ALL DISHONORED OR BAD CHECKS REMITTED AS PAYMENT OF ASSESSMENTS.**

Your assessment has been computed by multiplying your gross intrastate operating revenues for the calendar year 2022 by the assessment factor for the public utility group of which you are a member. Your gross intrastate operating revenues for 2022 have been taken from the Assessment Reports Form GAO-22, AR-22-RR or AR-22-MC which you have filed with the Commission, or have been estimated by the Commission if you failed to file a timely report. Gross operating revenue reported to the Commission on the Assessment Reports may have been revised by the Commission to accurately reflect assessable revenue. The assessment factors for the various public utility groups are set forth in Schedule B enclosed herewith.

The approved estimate of expenditures of the Commission for the period July 1, 2023 to June 30, 2024 payable as a General Assessment by the public utilities which the Commission regulates has been determined as follows:

| | |
|--|---------------------|
| Approved budget for the Commission for the Fiscal Year July 1, 2023 through June 30, 2024: | \$80,409,289 |
| Deduct: | |
| Pipeline Operators Allocation per Act 127 of 2011 | 557,327 |
| Various Fees Collected in FY 2022-23 | 249,139 |
| UGWF Administration per Act 13 of 2012 | 552,500 |
| Prior Year Cost Saving | 13,400,000 |
| UCR Collection for CY 2022 | 4,945,527 |
| EGS/NGS Allocation per Act 155 of 2014 | 3,929,844 |
| Total Deductions | <u>\$23,634,337</u> |
| General Assessment Total Amount | <u>\$56,774,952</u> |

The way in which the total Public Utility Commission assessment of \$56,774,952 has been allocated to the various groups of public utilities as shown on Schedules A and B enclosed herewith.
