TO ALL PARTIES OF RECORD

Application of Aqua Pennsylvania Inc for approval of the alteration of the crossing (DOT# 910 473 R) where Wildell Road crosses, at grade, the tracks operated by Southeastern Pennsylvania Transportation Authority (SEPTA) in Upper Darby Township, Delaware County.

To whom it may concern:

By application filed with the Commission on December 18, 2023, Aqua Pennsylvania Inc seeks Commission approval to alter the public crossing (DOT# 910 473 R) by the installation an 8-inch DI pipe in a 16-inch steel casing where Wildell Road crosses, at grade, the tracks operated by Southeastern Pennsylvania Transportation Authority (SEPTA) in Upper Darby Township, Delaware County.

The new line will be installed within the right-of-way of Wildell Road and Southeastern Pennsylvania Transportation Authority (SEPTA). The installation will provide a minimum cover depth of 5"-6" from the top of the proposed 16-inch casing to the base of rail.

The Commission hereby establishes its jurisdictional limits at the subject crossing as the area within the confines of the railroad right-of-way and the highway right-of-way.

In its application, Aqua Pennsylvania Inc states that the proposed installation is will improve water distribution operations and maintenance. Aqua Pennsylvania Inc will be directed to perform the necessary installation, provide for maintenance and protection of highway and pedestrian traffic during installation and accept future maintenance responsibility for the new line, at its sole cost and expense. The cost of the project at the subject crossing is anticipated to be approximately \$35,000.

All work is to be performed in accordance with the drawing plans attached to the application as "Exhibit A".

Aqua Pennsylvania Inc has served a copy of the application and installation plan to all parties in interest. All parties in interest were queried by letter dated January 10, 2024, as to any objection to the subject application. None of the parties have responded with any objection to the subject application or plans.

The Commission has exclusive jurisdiction in crossing alterations and is the final arbiter of any fees associated with a crossing application. Any conditions, including fees associated with a crossing application, must be approved by the Commission.

Upon full consideration of the matters involved, we find that a hearing is not necessary and that a Secretarial Letter may be issued approving the application.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that the alteration of the crossing is necessary and proper for the service, accommodation, convenience, or safety of the public.

The application of Aqua Pennsylvania Inc is approved as herein directed:

1. The caption of the subject proceeding is hereby revised as shown herein.
2. The crossing (DOT# 910 473 R) where Wildell Road crosses, at grade, the tracks operated by Southeastern Pennsylvania Transportation Authority (SEPTA) in Upper Darby Township, Delaware County, be altered generally in accordance with the installation plan entitled: "EXHIBIT A"; which plan is made part hereof and is hereby approved except insofar as they may relate to the division of work, deletion of work, or the allocation of costs and expenses incident to the installation of the project.
3. Aqua Pennsylvania Inc, at its sole cost and expense, furnish all material and perform all work necessary to alter the crossing by the installation of an 8-inch DI pipe in a 16-inch steel casing within the joint right-of-way of the highway where Wildell Road crosses, at grade, the tracks operated by the Southeastern Pennsylvania Transportation Authority (SEPTA), all in accordance with the approved plan and this Secretarial Letter.
4. Aqua Pennsylvania Inc, at its sole cost and expense, furnish all material and perform all work necessary to establish and maintain any detours or traffic controls that may be required to properly and safely accommodate highway and pedestrian traffic during the time the crossing is being altered.
5. Any relocation of, changes in and/or removal of any adjacent structures, equipment or other facilities of any non-carrier public utility, other than Aqua Pennsylvania Inc, which may be required as incidental to the alteration of the crossing, be made by said public utility at its initial cost, and in such a manner as will not interfere with the alteration of the crossing; and such relocated or altered facilities thereafter be maintained by said public utility, at its sole cost and expense.
6. Southeastern Pennsylvania Transportation Authority (SEPTA), at the sole cost and expense of Aqua Pennsylvania Inc, furnish all material and perform all work relating to its facilities which may be required as incidental to the performance of the proposed work and furnish any watchmen, flagmen, inspectors and/or engineering services that may be deemed necessary to protect the railroad's operations or facilities during the time the facilities are being installed.

7. Aqua Pennsylvania Inc, at its sole cost and expense, furnish all material and perform all work necessary to complete the remainder of the project, and any other ancillary features of the project, generally in accordance with the approved plans and this Secretarial Letter.

8. The alteration of the crossing be completed on or before February 28, 2025, and that on or before said date Aqua Pennsylvania Inc report in writing the date of actual completion of the work to this Commission and certify to the parties of record and this Commission that the work has been satisfactorily completed in accordance with the approved plans and this Secretarial Letter.

9. Aqua Pennsylvania Inc, at its sole cost and expense, pay all compensation for damages, if any, due to the owners of property taken, injured, or destroyed by reason of the alteration of the crossing in accordance with this Secretarial Letter.

10. All parties involved herein cooperate fully with each other so that during the time the work is being performed, vehicular, pedestrian and railroad traffic will not be endangered or unnecessarily inconvenienced, and so that the requirements of each of the parties will be provided for and accommodated insofar as possible.

11. Aqua Pennsylvania Inc cooperate with the non-carrier utilities involved, so that during the alteration of the involved crossing, the facilities of the non-carrier utilities will not be endangered or unnecessarily interrupted.

12. Aqua Pennsylvania Inc at least fourteen (14) days prior to the start of work, notify all parties in interest of the actual date on which work will begin.

13. Upon completion of the alteration of the crossing, Aqua Pennsylvania Inc, at its sole cost and expense, furnish all material and perform all work necessary thereafter to maintain the new line and any ancillary facilities installed in accordance with the approved plans and this Secretarial Letter.

14. Upon completion of the alteration of the crossing, Southeastern Pennsylvania Transportation Authority (SEPTA), at their sole cost and expense, furnish all material and perform all work necessary thereafter to maintain its railroad facilities at the subject crossing, including warning devices and all appurtenant equipment, and maintain at all times in a smooth and satisfactory condition the crossing surface located between the rails and for a distance of twenty-four (24) inches beyond the outermost rails, all in accordance with this Secretarial Letter, and provide Upper Darby Township at least ten (10) business days advance notice when performing any work that may affect their facilities, as directed by this paragraph.

15. Upon completion of the alteration of the subject crossings, Upper Darby Township, at its sole cost and expense, furnish all material and do all work necessary thereafter to maintain the highway approach roadway of the subject crossing to points twenty-four (24) inches beyond each outside rail and in addition, maintain the grade crossing advance warning signs, stop lines and pavement markings, if required, all in accordance with this Secretarial Letter, and provide Southeastern Pennsylvania Transportation Authority (SEPTA) at least ten (10) business days advance notice when performing any work that may affect their facilities as directed by this paragraph.

16. Upon completion of the work herein directed, and upon written request from any party of record, this proceeding be scheduled for a hearing at a time and place to be determined by the Commission, for the purpose of taking testimony upon the final allocation of any remaining costs incurred by the non-carrier utility companies and other matters relevant to this proceeding.

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered.
